(105cm). This excellent brood mare is only available as I have retained two colts from her to run on as stallions. Both colts retained are going to make 40+” and have done very well in the show ring, as have all her foals. Candice herself has been lightly shown with good results. She was evaluated at the PBSA Shetland Pony Evaluation Scheme and achieved a Gold Award. She carries very good old bloodlines. She has taken the stallion every time out and has a super bay foal this year. Candice is a very good mum, puts lots into her foals and so far has been an easy foaler. As well as making a terrific brood mare she would also make a good riding pony given her size and temperament. This mare has no vices and is good to do in all ways.
